

JOIN BLUE SKY DOCENTS IN THE BATTLE AGAINST INVASIVE PLANTS!

Wear long pants, long sleeves sturdy footwear. Please bring loppers, hand saws, gloves and eye protection, only if you have them. We do have some!

Do you have a couple of hours a month to spare? Keeping Blue Sky beautiful and free of non-native plants is achieved through the dedication and effort of volunteers. Spring is the season of prolific weed growth and help is needed the most between March and June.

Please come out and lend a hand!

Saturday, March 13 - 9:00 am

Saturday, April 10 - 9:00 am

Saturday, May 8 - 9:00 am

Saturday, June 12 - 9:00 am
